# The Babysitter's Bonus

"Mr. Harris, it's really nice of you drive me home," I said as we pulled out of his driveway.

"My pleasure, Tina. You've always been such a reliable babysitter. We're really going to miss you when you go off to college next week," Mr. Harris said, his hand coming to rest on my bare thigh.

I didn't know how to react, so I just sat there. I mean, I knew how to handle the boys I dated in high school, when their hands wandered. But Mr. Harris was a grownup...and anyhow he was hot and sexy. I couldn't do to him what I did to the boys...and I wasn't sure I even wanted to!

So I didn't say a word as he pulled onto a dirt road and stopped the car. He pulled me close, slipping his hand up under my skirt. He pressed his lips to mine while he caressed my bare thighs. Then his tongue dived into my mouth, teasing and tasting as it danced around my tongue. Each contact sent sudden, powerful jolts to my vee. My pussy was hot and wet, and my panties were quickly soaking through.

Then his hand made its way up my sweater, pushing under my bra and capturing my stiff nipples. He tugged and tweaked them, then rolled and pinched them between his fingers. My entire body surrendered to his experienced touch.

I heard the unmistakable growl of his zipper, and then he pressed my hand into his lap. I was thrilled to hold his cock, and to stroke along the throbbing stem. He bucked his hips, jabbing his cock into my fist. His boner was getting harder with each passing second.

"Suck it, please," he begged, twisting his fingers in my blonde hair and guiding my face into his lap. I didn't resist. I wanted to feel his cock in my mouth. That was something I had never done, though I had read about it in some of my older sister's magazines.

I brushed my lips lightly against the wet, sticky head of his cock, tasting his juices for the first time. I flicked my tongue against it, then planted a kiss on the very tip. He groaned and bucked his hips, trying to shove it into my mouth. But I wasn't through tasting and savoring this new treat. I licked along the bulging vein, then poked my tongue into his slit, sweeping his juices into my mouth.

When I was ready, I let just the head roll onto my tongue. The smooth, warm flesh slid deeper and deeper into my mouth until it tickled my tonsils. I sucked it gently, then swirled my tongue over and around it.

"Oh yeah, that's the way," he coached. "Now just take it all."

He pushed his cock deeper into my throat, while his hand held my face firmly in his lap. I had no choice but to accommodate the oversized intruder just as I so much wanted to do. I took it all, too, without even gagging. His cock rammed in and out of my mouth until I thought he would come for sure. But before he

could shoot his load, he pulled away.

"I want to fuck you," he groaned, then peeled my panties from my slender young body. I lay back on the seat, allowing him to guide me through this new experience. He pulled my sweater off over my head, then shoved my bra up over my breasts. He kissed and licked my nipples, sending goose-bumps down over me.

"You like that?" he asked.

I could only moan as he continued to tease my nipples. Then his hand groped between my thighs once again, only this time his fingers invaded my most private parts. He teased and tickled my aroused flesh, his fingers probing my slippery slit, then poked into my hot, wet pussy.

"So hot and tight," he groaned, fingering me again and again. "Just like I knew it would be."

His hard, hot cock pressed against my thigh, then rubbed up and down my slit. I moaned again as the silky-smooth head circled my throbbing clit. I spread my legs even wider, giving him easier access to my aching, empty pussy. He pushed against me, easily burying his cock deep in my honeypot. I had only gone all the way once before, and that was with some guy who had no idea what he was doing. Mr. Harris was different—older, experienced.

He was gentle, pulling back, then once again filling my quivering pussy. His cock was so big, so thick. He ground his curly bush against my clit with each forward thrust. I knew I would come, and soon. He jabbed into me harder and faster, sending wonderful, pleasurable sensations all through me.

He kissed and sucked on my nipples, scraping his teeth against them as he plowed even deeper into me. I had only a passing thought of his wife waiting for him at home before the waves of pleasure swept through me. My pussy contracted again and again, capturing and then releasing his big, hard cock.

"Oh fuck," he groaned as his cock jerked and jumped inside me. He dropped down on top of me, but he didn't seem to be in any hurry to pull away. He pressed his lips to mine, his tongue poking in and out of my mouth.

"It's too bad you're going so far away," he whispered. "Maybe I just shouldn't have waited so long."

"I'll be back home for the holidays," I said, trying to reassure him. But I knew this was a one-time thing. My next fuck would undoubtedly be with some stud I met on campus.

He looked into my eyes and smiled, not speaking. Then he sat up, stuffed his cock back into his pants, and took me home.

I felt no regret as I watched his taillights disappear into the night. I was thrilled that I had had a chance to be with a real man. Now I wouldn't be a naive little girl when I went away to school.

*Tina, Michigan*

My pussy contracted again and again, capturing and then releasing his big, hard cock.

# milissa

## i'm so aroused, i need two today

Milissa's skirt is a 140-character Tweet. But she's certainly got the guys interested. They want to explore her fully. They take out their rigid wands and bury them deep inside her. One in her waiting pussy, and the other pounding her tight heiny, ultimately blasting her face with sticky seed.

(888) 400-3287 OVER 18 TO CALL

## An office seduction introduces a stunning young girl to pussy pleasures

# eating lunch

Her skirt was hiked up her thighs a bit, an occasional peek of her tight G-string panties teasing me. She had her blouse open and was fanning herself, and her bra was see-through. Her luscious breasts were a full, firm 36D cup. The nipples swelled like ready, ripened cherries.

"My god, Rosa!" she gasped. "That stuff is hot! What the hell did you put in it?"

I smiled. Habaneros and jalapeños. Being Hispanic, I often use them in my cooking.

We were at work. We had been working in the same office for a few months now. I'm bi, but I didn't know about Jannette, though I felt I had to try to seduce her if I could.

Jannette never goes to lunch but always works right through while everyone else heads out. That gave me an hour of privacy for my planned seduction. I started staying behind to watch her, and saw that she eats like a bird, so I thought I'd feed her. I'd prepare some of my famous Mexican food to see if I could get her to loosen up a bit. It seemed to have worked.

I was quivering already. Just being able to glimpse at her beautiful tits had me trembling in the knees. And her full, ripe pussy had me gasping. Even though it was covered with the G-string, the sight left me trying to catch my breath.

Jannette was using her blouse to fan herself. She had unbuttoned it and was flapping it to create a breeze. I went to the fountain and got her some water. As I returned with it, I saw my opportunity. I tripped—on purpose, you understand. The water spilled on her skirt, soaking her.

"Come on," I said, guiding her to her feet and leading her into the ladies room. It had one of those hot air blowers to dry your hands. I dropped to my knees, unzipped her skirt, and tugged it off her. "Let's get this off you to dry it."

The woman is drop-dead gorgeous! Her hips are perfect! Her body is rounded but firm and supple, with a tan line from her bikini. Her pussy is clean-shaven.

I quickly draped her skirt over the blower and pressed the button. Just as quickly I went back to my knees.

By now she was well aware of what I was doing. But apparently she was in favor of my plans. Leaning back against the sink, she parted her legs for me. Looking down at me, she smiled. "Isn't this what you want, Rosa?" she asked. "You got me this hot. Now I need to be satisfied. This is your lunch, honey. Go ahead, eat me!"

With my hands trembling, I untied the string of her panties and pulled them from her haunches. Her pussy was so pretty! Her two lips created a thin, clean crease. They were fat lips, and full, with a pinkish-brown hue. Her clit was peeking out at me and looked like it was winking at me.

I felt Jannette's hand in my hair. She slid her fingers into my thick, black tresses and gently pulled me to her. "Come onnnnn!" she moaned softly. "I can't take this any more. Do me good, baby!"

I opened my mouth and pressed my lips to her lower lips. Tilting my head back a bit, I positioned my mouth. With a gentle suction, I took

the edge of the right lip between my lips. Slowly I traced the tip of my tongue over that lip, then repeated the action on her left lip.

Snaking my tongue out, I darted it into her sopping pussy. Her juices were flowing freely, and her moans were growing louder. I have rarely met a pussy that juicy.

The tip of my tongue slightly parted the smooth, wet pink of her inner lips. I wriggled it back and forth as I stroked it in and out of her. Gradually I worked my way up her slit. At her swollen clit, I fully lapped at the firm, pink trigger.

She moaned even louder. Her hands cupped the back of my head and pressed my mouth to her. “Suck it, baby, yes! Suck it like that!” she gasped.

I wasn’t interested in teasing her. We didn’t have a lot of time. Lunch break was half over, after all, and people would be coming back in another 25 or 30 minutes.

I think the risk we were taking had something to do with our excitement, too. Sex in a public place like this always increased the adrenaline rush, which enhances the pleasure.

I brought my lips to her swollen clit and sucked on it. Bobbing my head ever so slightly, I pulled on it a little. As I sucked her off, I stabbed at the tip of her raw, sensitive clit with the tip of my tongue. Her hips were jerking in spasms, causing her to buck her mons against my face. Her thighs were rippling and quivering. I knew she was close to coming.

When she started gasping and moaning in short, jerky breaths, I knew she was there. Bringing a finger to her clit, I removed my mouth and pressed the fingertip against her orgasming trigger. With firm thrusts down on it, I massaged the root of it, tugging on the rest of it and teasing it to further ecstasy.

Sliding my head down and under her, I eagerly licked her glistening pussy-lips. Her juices still flowed as from a broken faucet. After several furious laps at her sopping pussy, I knew I could never drink it all up. Some juices were escaping in rivulets down her legs.

I kept my mouth and finger at her pussy, and she continued to quiver and jerk in orgasm against my face. It was an all-you-can-eat buffet of pussy! I had to pull away after a few minutes, though. I’ve had guys complain to me that their necks were getting crimped badly from eating me, and it was happening to me now. My neck needed a rest.

When I pulled away, I was so horny I had to have immediate relief. I stood, my knees weak and trembling, and opened the nearest toilet stall door. Pulling my own skirt up, I slid my panties down to my ankles and sat.

Spreading my legs wide, I held the door open with my right knee. I wanted Jannette to see me as I frigged myself. When she was looking, I slipped a hand between my thighs and started to massage my own clit.

I was a little surprised when she started toward me. I hadn’t expected her to do anything for me. But as my hand stroked my pussy, she leaned over and started to unbutton my blouse. It’s satin, and I wear one of those nipple-less bras because the sensation of the smooth material of my blouse rubbing against my nipples keeps me horny all day long.

The sensuality of such materials as satin and silk against my smooth, caramel-colored skin always feels so good, it makes me want sex all day long. It keeps me ready, and whoever the lucky recipient is, he or she always gets worn out.

Jannette took my right nipple between her lips and sucked gently. It sent a sharp sensation of pleasure racing through my belly and into my mons. It ignited my pussy and brought sharp, almost unbearable pains of pleasure to it.

I plunged a couple of fingers into my sopping slit to quell that intense ache. I thrust them in short, hard jerks, being sure to stroke my clit with each stroke.

As I started to spasm, she took my swollen nipple between her lips and lightly brought her teeth into play. Pinching lightly on the other nipple, she brought added sensations to my pleasure. I erupted, crying out in Spanish.

My pussy spasmed and tingled hotly as I came in spasm after spasm. The light pinch of Jannette's teeth on my nipple and the gentle sucking she was applying kept me quivering. My fingers were still plunging in and out of my juicy hole and stroking across my clit each time.

I would have kept this up forever if I could have. Two things kept me from it. Time was one; the other was that my arm was starting to tire.

But it had been more than satisfying. I hadn't come like that in a few months. The newness of a gorgeous woman and her magnificent, perfect body had a lot to do with it. And the chance that we might get caught had certainly heightened the pleasure.

As we dressed, we giggled like two schoolgirls who had gotten away with something naughty. But even though we had both been satisfied, that didn't stop us from groping each other a little more. Jannette reached out and shoved a finger in my pussy. I was trying to pull my skirt on, but I stopped. About mid-thigh, her hand darted between my legs and she just plunged her middle finger up there. After a couple of quick thrusts in and out, she snickered and removed it.

I grabbed her cheeks as she was trying to put on her G-string. Reaching around, I cupped a full breast. The material of her blouse was so thin, I could feel her nipple clearly. I rolled it between my thumb and forefinger a couple of times.

In this fashion, we dressed. Her skirt was nearly dry, and we figured no one would notice any little residual dampness. When we emerged from the ladies room, a few people were already back from lunch. Lucy looked up at me and winked. It kind of took me aback. How could she know what we had done?

After I'd been working half an hour, I got an E-mail message: "We have to do this again very soon! Meet me tonight at the EconoLodge up the street. I've reserved a room there."

I fired back a message of my own: "Meet you in the parking lot there at 6 PM."

That was three months ago. Jannette has since told her boyfriend about me, and he's begging her to let him join us. I have agreed that he can watch, but no touching. When I'm with another girl, I'm with her for the pure pleasure of pussy. I don't want a cock interfering with that pleasure.

And it is pleasure. Pussy brings some of the greatest pleasure I know, and Jannette's is one of the most pleasurable pussies I've known!

## watch me get wet and wetter

“Believe it or not, I like to turn myself on!” Marley says as she slides a cool pink vibe into her slippery clam. “I can get turned on just by washing my car. I like it when I get wet and the fabric sticks to my body. I like to squeeze the water out of a sponge and feel it run down my body. Wouldn’t you?”
